VTechCS6719-16 Battery Replacement

This is a guide to locate and replace the battery in the VTechCS6719-16

Written By: Charles montes

INTRODUCTION

This guide demonstrates a walk-through of steps needed to completely remove an old battery and put in a nice working new battery.

Step 1 — Battery

- Remove the back case of the phone to expose the battery.

Step 2

- ⓘ Now the battery is exposed.
- Locate the red and black 2 pin cable.

Step 3

- Now remove the 2 pin cable
- The battery is then lifted from the case.

To reassemble your device, follow these instructions in reverse order.
